Chris,

The city of Dallas asked for the response to questions from the 3-7 Lane Plating meeting by tomorrow. I know you were looking at this and I would like to talk to you about it before I send them to the city. I will attach the latest draft. I do not know if I should reformat this into a fact sheet or letter. Deborah says your in all day training, but I would like to get approval of the answers from you or John before give this to the city and post the answers on our website.
